Subject: Modification 3 Stage 1 Discovery Point MP_0030 MOD 3

Hi Fiona,

Based on the response provided by the proponent, Council raise no issues to the proposed modifications. The Department may consider imposing additional conditions to ensure:

1. Each Stage to provide details on how they connect into the Water Treatment Plant (Recycled Water Facility).
2. Easement to be in place prior to OC to ensure that Discovery Point residents have access to the podium.

Do not hesitate to contact me if you have any questions.

Kind Regards
