Dear Sir/Madam,

I am most concerned that the car park entrance has been (as I understand it) modified so that the only entry/exit is off Dalgety Road/Towns Place. I would have thought, from a traffic flow perspective, this would be better located directly off Hickson Rd. Obviously living in Dalgety Rd we would be impacted by the increased traffic. However, it will also be detrimental to traffic flow in the surrounding streets - particularly Argyle and Kent Streets.
