RE: Barangaroo MP 10\_0025

Barangaroo MP 10\_0087

Barangaroo MP 10\_0048

I would like to forward my rejection of the above applications.

As an owner of two apartments on level 25 in the Stamford Marque building on Kent St, I object to any changes to the Barangaroo Development.

I returned from overseas today and will investigate further, the applications.

My rejection of the applications is due to the impact that any further changes will have on, "MY INVESTMENTS".

To date, since purchasing my apartments, which I did so, after researching the Barangaroo Development, my investment has suffered. I want to protect my investment from any further loss in value or quality.

Regards

Nicola Dunne
