Todd,  
As discussed:

The reference numbers to include with the Bank Guarantee are R/2010/580/G with reference to MP 10\_0048 MOD 8

Name of security: Public Domain Damage Deposit

Description of project: Demolition of Harbour Control Tower

Length of frontage affected: 43m

Material: Asphalt

A Bank Guarantee to the \$19,221 is to lodged at the City's One Stop Shop with the name of the deposit, the project description and reference number.

As far as I can determine there is no condition yet as a determination hasn't been issued. Until that time it should not be lodged.

Further information on lodging securities can be found in Section 12 of the Public Domain Manual
