Meriton Apartments Pty Ltd
Level 11, 528 Kent Street
SYDNEY NSW 2000

Dear Mr Gordon,

RE: 132-138 Killeaton Street, St Ives

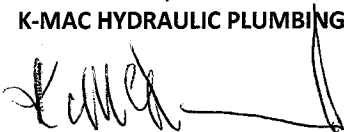

I write in response to your request to me to provide spatial requirements for the proposed hot water tanks to be installed on the rooftops at the subject site.

The proposed hot water tanks have an overall height of 1900 mm. The tanks require installation on a plinth having a height of 100 mm. An additional 200 mm freeboard internal space is required for manoeuvring and servicing. The total space required, therefore, is 2200 mm.

Should you require anything further in relation to this matter, please do not hesitate to contact me.

Yours sincerely

K-MAC HYDRAULIC PLUMBING SERVICES

Ken A McDonald

Director
