Amended strata plan set

Enclosed is an amended strata plan set in hard copy and CD. Sheets 12 and 20 have been amended.

Sheet 12 has been amended so that the gym area (common property) matches the approved drawings under MOD 5 for the Monastery building.

Sheet 20 has been amended, at the request of the Department's Nicola Chisholm, to match MOD 8 currently being finalised.

Approved Construction Drawings

The enclosed Construction Certificate drawings have been approved by the Certifier, which is consistent with the Major Project Approval. The approved Construction Certificate drawings match the strata subdivision plans to enable the Department of Planning to finalise processing of the application.
