Paul,

Please note that BM+G has reviewed the issues raised by the DoP with respect to the Part 3A Application for the Nepean Hospital – Mental Health unit project.

We are satisfied that the issues raised by the Dept are relatively minor and will have no adverse impact on the matters outlined in our previous BCA compliance report dated 7th September 2010.

If you would like to discuss please do not hesitate to contact me.

Yours sincerely,

David J. Blackett
