Mr Neville Osborne
Manager – Water and Energy
Department of Planning
GPO Box 39
Sydney NSW 2001

Dear Mr Osborne

I refer to your letter of 15 July seeking comment from Industry and Investment NSW (I&I NSW) on the Environmental Assessment for the City East Zone Substation project (Application 10_0071).

Consultation has occurred within I&I NSW and there are no comments this Department wishes to make on the contents of the Environmental Assessment.

Should you have any further enquiries about this matter, I have arranged for Mr Andrew Lewis, Director Energy Supply and Networks, Energy Branch, to assist you. Mr Lewis may be contacted at the Department's Elizabeth Street Office on telephone number (02) 8281 7403.

Yours sincerely

Mark Duffy
Deputy Director-General
Minerals and Energy Division
