Re: Exhibition of Modification Request for the Spectator Precinct at Royal Randwick Racecourse, Randwick (MP 10_0097 MOD 2) – Request by Planning and Infrastructure for Police comment.

Dear Madam,

In principal no objection is raised by the NSW Police Service to the issue of the modification request. However consideration should be given to the following points when determining the application:

1. Notification of events to New South Wales Police Force being Eastern Beaches Local Area Command should be formalised with sufficient notice to provide adequate Policing to events based on risk assessment. Costs to be met in line with current NSW Police Force User Pay Policy.
2. Any traffic generating events should have a submitted Traffic Management Plan and if required comply with RMS Traffic and Transport for Special Events.

To avoid any future delay, can all requests for comment by NSW Government and Infrastructure from Eastern Beaches Local Area Command be directed to Sergeant Karen Griffiths.

Yours sincerely,

K. Griffiths
