Suite 702, 6A Glen St  
MILSONS POINT NSW 2061  
Attn. A. McLandsborough

Dear Anthony

**RE: PROPOSED SUBDIVISION OF  
PRECINCT B, RHODES**

Natural Gas infrastructure exists in parts of Shoreline Drv and Gauthorpe St, and could be extended to supply any proposed development at this site depending upon it's commercial viability.

Caution should be exercised when carrying out any road works that may expose the Natural Gas mains existing in this location. Contact Dial B4 you Dig ph 1100 to confirm their location.

We appreciate the opportunity to be involved in the forward planning of this development and would like to pursue the potential for the connection to the natural gas network. An offer for supply could be made available once Staging and construction is imminent. Please provide the electrical reticulation (PDF) and a CAD file of the Lot layout (DWG) when available to assist Jemena prior to construction taking place. Shared trenching is encouraged for services to minimise coordination and maximise benefits.

Thank you for your inquiry. If further information or assistance is required, please do not hesitate to contact me on 0402 060 151.

Yours faithfully,

*Neale Hilton*
