Note 1:

Modifications to the approved plans will require the lodgement and consideration by the Department of Planning and Infrastructure.

Note 2:

A warning to all Accredited Certifiers. You should always insist on sighting the original approved plans/documentation containing the stamp of the approving authority and not rely solely upon the plan reference numbers in this condition. Should the proponent not be able to provide you with original copies, you should request the approving authority to provide you with access to its files so you that may review the original copies of approved documentation.

Note 3:

The approved plans and supporting documentation may be subject to conditions imposed under section 75J of the Act modifying or amending the development (refer to conditions of approval which must be satisfied prior to the issue of any Construction Certificate).

(Reason: To confirm and clarify the terms of consent)
