URBIS 4- STAMFORD PROPERTY SERVICES P/L

I strongly object the modification Condition D1
(B) to extend the construction hours from
7-0AM - 5PM M-F TO 7-AM - 7-PM M-F
8-0AM - 12.PM Sat TO 8.AM - 4 PM SAT

on the grounds these hours are too long as I
live next door and have the right to have
peace and quiet and be able to relax inside and
outside my villa, especially in winter time before
it gets dark. I am 73 years old and feel I am
entitled to some peace & quiet. I understand
this construction will take more than 2 years
to complete - give us a break. !

I have not made any donations to any
political party.

I am not "on line" hence my written objection
