**PALERANG & GOULBURN MULWAREE COUNCILS – PART 3A MAJOR PROJECT
10/09150-2 – MR268 BUNGENDORE – CAPITAL II WIND FARM ENVIRONMENTAL
ASSESSMENT EXHIBITION (MP 10_0135)**

Dear Sir/Madam

Reference is made to your letter dated 9 December 2010 regarding the subject major project application forwarded to the Roads and Traffic Authority (RTA) for consideration.

The RTA has reviewed the submitted information and the RTA cannot make an informed comment on the subject proposal. To assess the subject development the following information is required:

- Daily and peak hour traffic volumes and break down of vehicle type predicted to be turning right from Tarago/Bungendore Road into Currandooley Road and into Taylors Creek Road as a result of the Capital Wind Farm II proposed development, during the 12 – 18 month construction phase.
- Daily and peak hour traffic volumes predicted to access the track to the substation site from Bungendore Road during the 12 – 18 month construction phase.

The RTA will reconsider the application once the above issues are addressed to its satisfaction. If you have any questions please contact Andrea Boes on 4221 2771.

Yours faithfully

Trish McClure
