Where the main entrance of Shore School is relocated to the Union St entrance, adjacent to the Graythwaite site and approximately opposite 95 Union St, the resulting traffic congestion during drop-off and pick-up hours will be extremely disruptive for residents and local businesses. Union St is already a major thoroughfare from the Harbour Bridge to the North Sydney and Lane Cove areas. Such a change would undoubtedly cause congestion at the Blues Point rd/Union St intersection thus resulting in traffic back-up at the Lavender St exit of the Harbour Bridge heading North.
