Dear Sir/Madam

I wish to voice my opinion that the proposed works at Graythwaite should be rejected for these reasons. A. an increase in Shore's population of 500 plus persons will create traffic chaos and noise issues for residents B. The proposal is contrary to Shore's public declaration made in light of the negative public response to its purchase of Graythwaite that the school would not develop the park but retain and maintain it C. Although Graythwaite has been removed from public use, it is still a heritage site and loved by the public. The plans displayed defile the park and will substantially alter its public aspect

Yours sincerely

Marge McInnes
