Re: Exhibition of Modification Request for Central Coast Cancer Centre Gosford. Car Park Modifications (MD10_0173 MOD 1)

Dear Sir

I refer to your letter dated 27 March 2012 and advise that Council has no objections to the proposed modifications.

The amended plans for the fleet car park show a 1.2m wide concrete footpath to be constructed in Racecourse Road. This will require an application to be made to Council under the Public Roads Act together with submission of detailed engineering plans prior to commencement of this work. The plans are to show the extent of works and proposed levels and alignment of the footpath.

Should you have any enquires with regard to this matter please contact Robert Eyre on (02) 4325 8222 between the hours of 8.40am to 10.30am, Monday to Friday.

Yours faithfully

Robert Eyre
Senior Town Planner
