## Request to modify a major project

			O						
Before you lodge									
This form is required under section 75W of the <i>Environmental Planning and Assessment Act 1979</i> (the A in order to request the Minister to modify the Minister's approval to carry out a project or concept plan to which Part 3A of the Act applies.									
Before making this request, it is recommended that you first consult with the Department of Planning (the Department) concerning your modification. The Director-General may issue environmental assessment requirements that must be complied with before your request will be considered by the Minister. If the changes proposed by the modification will result in a project that is consistent with the existing approval, the Minister's approval for a modification is not required.  Disclosure Statement  Persons making a request to modify a project or concept plan are required to declare reportable political donations (including donations of or more than \$1,000) made in the previous two years.  Note: For more details about political donations disclosure requirements, including a disclosure form, go www.planning.nsw.gov.au/donations.
