

APPENDIX B. SUMMARY OF SUBMISSIONS

The issues raised in the submissions from the public are summarised as follows:

- The proposal will provide necessary infrastructure for the local population.
- The proposal will increase employment in the local area.
- The proposal will provide more options for retail and leisure activities in the area.
- Stormwater management is critical, with stormwater quality management of particular importance.
- No residential dwellings are proposed, with concerns that the dwelling target for this precinct will not be able to be met.
- Appropriate local contributions will need to be paid.

These issues were considered in the assessment of the project application.
