Hi Alan,

Dec will not be making a submission for this particular project and part of the Warnervale Town Centre.

The Department remains interested in future projects and staged development of the area.

Thank you for the opportunity to provide a submission.

Kind Regards

 Hi Alan,

I understand you were looking for someone to talk to about this application. You may not be aware however the Department restructured recently and I now look after some the planning roles for the Department. I report directly to Susanne Johnson, Manager Planning.

You can call me on 9561 8147 if you need to discuss this application. I have referred the application to our regional planner for the Central Coast / Hunter region (Brad Gemmell) for his advice on the project and if a submission should be made. Brad will consult with local schools etc. Brad's phone number is 4923 7688.

I tried to call but received no answer so though I'd send you this email.

Regards
