Hi Bob,

The Marine Vessel Pumpout Facility (MVPF) which is located at our facility is the property of Gosford City Council and is available for any member of the public to use at any time.

Based on current demand for the facility I do not see any issue with over demand unless NSW Maritime choose to enforce the regulations.

Michael Sparks  
Marina Manager  
Killcare Marina

The Chief Executive Manager  
Killcare Marina,  
39 Araluen Dr  
Killcare NSW 2257

Dear Mr Sparks,

As you are aware Gemsted Pty Ltd is proposing a 50 berth marina at Koolewong and we do not propose to install a waste pump out facility.

Can our future clients that will berth their boats at our marina use your pump out service at Killcare Marina and do you see any problems with over demand for your facility ?

Kind regards,

Bob Tuckwell.
