

Office of the Director General

Ms Gabrielle Kibble AO
Chairperson
Planning Assessment Commission
GPO Box 3415
SYDNEY NSW 2001

Dear Ms Kibble

Please find enclosed the Department's assessment report and recommended conditions of approval for the Caltex Jet Fuel Pipeline Upgrade Project (MP 11_0004).

The Major Project application is required to be determined by the Planning Assessment Commission (PAC), due to reportable political donations having been made, consistent with the Minister's delegation of 28 May 2011.

Should the PAC have any further enquiries about this matter, I have arranged for Ms Felicity Greenway, Team Leader - Mining and Industry Projects, to assist. Ms Greenway can be contacted on telephone number 9228 6338.

Yours sincerely

Sam Haddad
Director General
