Dear Mr Bright

I refer to your letter of 12 December 2011 concerning environmental assessment for development of a Dental Hospital at 84-86 Kiora Road, Miranda (MP11_0009).

The South Eastern Sydney Local Health District (SESLHD) supports the application. It is believed the proposed Dental Hospital may ease pressure for local public hospital beds and some oral health services.

Thank you for providing the opportunity to comment on the development. Should you require any further information, please do not hesitate to contact Julie Dixon, Director Planning and Population Health, South Eastern Sydney Local Health District on 02 9947 9838.

Yours sincerely

Terry Clout
Chief Executive
