Dear Ms Mazaheri

**Re: Notice of Exhibition of application for Newcastle Power Station (SS1 9837)**

Thank you for your referral dated 13 November 2019 inviting comments from the Heritage Council of NSW on the above State Significant Infrastructure (SSI) proposal.

The subject site is not listed on the State Heritage Register (SHR), nor are there any SHR items nearby. The historical archaeological assessment (*Newcastle Power Station, Non-Aboriginal Heritage Assessment*, prepared by Aurecon, dated 6 June 2019) did not identify any significant archaeological relics requiring management. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

If you have any questions regarding the above advice, please contact Anna London, Senior Customer Strategies Officer at Heritage NSW, on 9873 8608 or [anna.london@environment.nsw.gov.au](mailto:anna.london@environment.nsw.gov.au).

Yours sincerely
