Dear Mr Jennejohn

Re: Notice of Exhibition for One Carrington Street (SSD 5824 MOD 9) – minor design changes to the approved transport interchange, commercial and retail development

Thank you for your referral dated 4 July 2019 inviting comments on the above State Significant Development proposal which involves internal and external works to Shell House.

The subject site is not listed on the State Heritage Register (SHR), and whilst it contains known historical archaeological deposits, the subject modification would not impact any relics. Therefore no further heritage comments are required. The Department does not need to refer subsequent stages of this modification proposal to the Heritage Council of NSW.

As Shell House is local heritage item advice should be sought from the City of Sydney Council.

Please note that the Greater Sydney Planning Team within the Climate Change & Sustainability Division may provide separate comment in relation to Aboriginal cultural heritage.

If you have any questions regarding the above advice please contact Anna London, Senior Customer Strategies Officer at Heritage, Department of Premier and Cabinet via email at anna.london@environment.nsw.gov.au or on 9873 8608.

Yours sincerely
