Dear Ms Burn

**Tomago Resource Recovery Facility and Truck Depot (SSD 10447)
EIS**

I refer to your email of 15 December 2020 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

NRAR recommends that if a groundwater supply is required for construction or operation, the proponent will need a Water Supply Work Approval.

Any further referrals to DPIE Water and NRAR can be sent by email to:

landuse.enquiries@dpi.e.nsw.gov.au.

Yours sincerely
