Dear Mr Canon

Subject: Stubbo Solar Farm – SSD10452 – EIS

Thank you for the opportunity to provide advice on the above matter. This is a response from the NSW Department of Regional NSW – Mining, Exploration & Geoscience (MEG) – Geological Survey of NSW (GSNSW).

MEG has reviewed the EIS in relation to resource sterilisation (including potential biodiversity offsets) and titleholder consultation. We have no concerns to raise in relation to this EIS.

Queries regarding the above information should be directed to the GSNSW - Land Use team at landuse.minerals@geoscience.nsw.gov.au.

Yours sincerely,
