Dear Ms Evans

RE: MAXWELL UNDERGROUND COAL MINE PROJECT (SSD-9526) RESPONSE TO SUBMISSIONS

Thank you for your referral dated 22 November 2019 inviting comments from the Heritage Council of NSW on the Response to Submissions for the above noted proposal.

As noted in our letter dated 27 June 2019, the Historic Heritage Assessment (HHA) report by Extent Heritage Advisors dated 6 June 2019 identified there are no State Heritage Register items or historical archeological relics within the proposed project area or its vicinity.

The Heritage Council of NSW is satisfied the HHA report by Extent Heritage Advisors was adequate in its assessment and reiterates as there are no identified impacts to State heritage items or historical archaeological relics, the Heritage Council of NSW has no comments on the proposal.

If you have any questions regarding the above advice, please contact Gary Hinder, A/Senior Customer Strategies Officer, at Heritage NSW, on 9873 8547 or Gary.Hinder@environment.nsw.gov.au.

Yours sincerely
