Dear Mr Davies

**Subject:** Yarrabee Solar Farm Project – SSD 9237 Modification 1 - Report

Thank you for the opportunity to provide comment on the above matter. This is a response from the NSW Department of Planning, Industry & Environment – Division of Resources & Geoscience.

The Division has reviewed the Modification Report and note that there are no current mining titles or applications over or adjacent to the site or proposed access routes. Appendix C - Ecology Assessment for the modification indicates no biodiversity offsets areas are required.

The Division has no resource sterilisation concerns or recommended conditions for approval.

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the Division of Resources & Geoscience - Land Use team at [landuse.minerals@geoscience.nsw.gov.au](mailto:landuse.minerals@geoscience.nsw.gov.au).

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A. Helman'.

Andrew Helman

Senior Geoscientist – Land Use Assessment

Geological Survey of NSW, Division of Resources & Geoscience
