Dear Ms Hatem

Advice on EIS – State Significant Development – Marist Catholic College North Shore (SSD 10473)

Thank you for your referral uploaded to the Major Projects Portal on 23 February 2021 seeking advice on the Environmental Impact Statement (EIS) report for the above state significant development (SSD) proposal.

I have reviewed Proposed North Shore Education Precinct 264 & 270 Miller Street & 40 Ridge Street, North Sydney, North Sydney Council NSW. Aboriginal cultural heritage report prepared by Kayandel Archaeological Services, dated December 2020 (the report). The report identifies that Aboriginal objects unlikely to be impacted by the proposed works.

Heritage NSW supports the recommendations made in section 12 of the report.

If you have any further questions in relation to this matter, please contact me on 9995 6824 or email at sam.higgs@environment.nsw.gov.au.

Yours sincerely
