No Comment to Planning Advice Request

I am writing in reply to your invitation to provide comments on the Environmental Impact Statement (EIS) including advice on recommended conditions for Mosman High School (SSD-10465) located at 769 Military Road, Mosman.

The Environment Protection Authority (EPA) emphasises that it does not review or endorse environmental management plans or similar plans but sets and regulates to environmental outcomes. The EPA supports the development of Environmental Management Plans (EMPs) as part of good environmental management but does not generally approve specific EMPs for industry operations.

The EPA does not require any follow-up consultation. Mosman Municipal Council should be consulted as the appropriate regulatory authority for the Protection of the Environment Operations Act 1997 in relation to the proposal.

If you have any questions about this request, please contact Environment Line on 131 555 and quote the above reference number.

Yours sincerely
