### **No Comment to Planning Advice Request**

I am writing in reply to your invitation to provide comments on the proposed new Multi-storey Carpark at the Children's Hospital at Westmead (SSD10434896), located at Cnr Hawkesbury Road and Hainsworth Street, Westmead.

The Environment Protection Authority (EPA) emphasises that it does not review or endorse environmental management plans or similar plans but sets and regulates to environmental outcomes. The EPA supports the development of Environmental Management Plans (EMPs) as part of good environmental management but does not generally approve specific EMPs for industry operations.

The EPA does not require any follow-up consultation. Parramatta City Council should be consulted as the appropriate regulatory authority for the Protection of the Environment Operations Act 1997 in relation to the proposal.

If you have any questions about this request, please contact Environment Line on 131 555 and quote the above reference number.

Yours sincerely
