Dear Mr Roppolo,

**Subject: Open Water Surf Facility MOD 1, Pod B P5 Carpark Hill Road Sydney Olympic Park (SSD 7942)**

Thank you for your e-mail received 26 May 2021, requesting input from Environment, Energy and Science Group (EES) in the Department of Planning, Industry and Environment (DPIE) on the Open Water Surf Facility MOD 1, Hill Road Sydney Olympic Park.

The intention of the proposed modification is to provide amendments to modify the existing approved consent SSD 7942, for the construction and operation of an open water surf sports lagoon facility ('surf park') at Pod B P5 Carpark, Hill Road, Sydney Olympic Park. The proposed modifications have arisen from a greater understanding of the functions and operational requirements of a surf park following the opening of URBNSURF Tullamarine, Melbourne in 2019.

To assist DPIE, EES has reviewed the Modification Report and relevant documents and considers that the proposed modification is unlikely to impact on the natural hazards.

Should you have any queries regarding this matter, please contact Bronwyn Smith, Senior Conservation Planning Officer on 9873 8604 or [bronwyn.smith@environment.nsw.gov.au](mailto:bronwyn.smith@environment.nsw.gov.au)

Yours sincerely
