Dear Sir/Madam,

Reference is made to Department of Planning, Industry and Environmental correspondence dated 17 May 2021, regarding the abovementioned Modification Application which was referred to Transport for NSW (TfNSW) for comment.

TfNSW has reviewed the submitted information and notes that the proposed Modification involves accelerating project staging without any changes to approved student and staff numbers. As such, TfNSW raises no objections to the modification application subject to the requirements in the TfNSW letter dated 24 October 2019 remaining applicable and being included in any consent.

If you have any further questions, Mr. Felix Liu would be pleased to take your call on 8849 2113 or email development.sydney@rms.nsw.gov.au. I hope this has been of assistance.

Yours sincerely,
