Dear Ms Homsey

Subject: Tamworth Solar Farm – SSD 9264 – EIS exhibition

Thank you for the opportunity to provide advice on the Tamworth Solar Farm project. This is a response from the NSW Department of Planning, Industry & Environment – Division of Resources & Geoscience (DRG).

DRG have reviewed the documentation for the above EIS and confirmed that issues raised at the SEARs stage have been addressed. The Division has no concerns with the Environmental Impact Statement for the Tamworth Solar Project.

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the Division of Resources & Geoscience - Land Use team at landuse.minerals@geoscience.nsw.gov.au.

Yours sincerely,
