Ref No: (D04270091) - SSD 9649

Dear Ms Pon,

Randwick City Council response to Mod 2 application to modify the consent for Doncaster Avenue Student Accommodation (SSD 9649).

Randwick Council wishes to make the following comments relating to the proposed modifications to the approved development under SSD 9649 Mod 2 for change in hours of construction due to COVID-19 (amend Condition D9) allowing additional hours of construction on Saturdays from 8am to 5pm (currently 8am to 1pm) and relocate and reconfigure plant and equipment.

Noise impact from relocated/reconfigured plant: Council notes an acoustic report was provided by Acoustic Logic and a supporting letter prepared by Acoustic Logic dated 26/2/2021 which confirms that the proposed location of the plant area on the rooftop does not impact the ability to comply with the noise requirements and that specific acoustic treatments and recommended controls will be provided as the mechanical design and plant selections are finalised. Council recommends that an additional acoustic assessment should be carried out once all plant and equipment are finalised and to validate that all the recommendations are implemented, and the noise levels comply with the relevant criteria.

Extended hours: Council does not object to the change in hours suggesting that the hours be subject to compliance with the applicable noise criteria. It's also suggested that extended hours on Saturday be consistent with the provisions imposed under Environmental Planning and Assessment (COVID-19 Development – Construction Work Days) Order (No 2) 2021 > Part 2 cl. 6(3) whereby at the expiry of the Order hours revert back to currently approved construction hours unless separate written consent is obtained.

Heritage: Council does not object to the relocated/reconfigured plant given the distance from the heritage item on site.

Yours faithfully

Louis Coorey
Senior Environmental Planning Officer
