Dear Mr Dumpleton,

Moorebank Intermodal Precinct West Stage 2, Consent Modification 2 – Adjustment to Construction Related Conditions

I refer to the email of 25 May 2021 seeking comments from Environment, Energy and Science Group (EES) in the Department of Planning, Industry and Environment on the above.

EES has reviewed the report prepared by Aspect Environmental and have no objections to or comments on the proposed modifications to the development consent conditions.

Should you have any queries regarding this advice, please contact Richard Bonner, Senior Conservation Planning Officer on 9995 6917 or at richard.bonner@environment.nsw.gov.au.

Yours sincerely
