Dear Mr Maslen,

Carlingford West Public School Upgrades, Environmental Impact Statement (SSD-10879802)

I refer to the email of 27 June 2021 seeking comments from Environment, Energy and Science Group (EES) in the Department of Planning, Industry and Environment on the above.

EES has reviewed the June 2021 Environmental Impact Statement prepared by City Plan (and the supporting Biodiversity Development Assessment Report and Flood Memo prepared respectively by EcoLogical and WSP) and have no comments.

Should you have any queries regarding this advice, please contact Richard Bonner, Senior Conservation Planning Officer on 9995 6917 or at richard.bonner@environment.nsw.gov.au

Yours sincerely
