### **No Comment to Planning Advice Request**

Dear Mr Roppolo

I refer to your request for advice on proposed night races at Royal Randwick Racecourse (Application SSD - 8706) located at Randwick Racecourse - Alison Road Randwick.

The proposal is for:

- Consent for 16 night racing events per annum (concentrated between October and April).
- Installation of new trackside lighting to facilitate televised broadcasting.
- Upgrade of the existing Spectator Precinct lighting for patron safety.
- Permanent diesel generators for electricity generation for trackside lighting. Staging of physical works.

Based on the information provided, the proposal does not appear to require an environment protection licence under the *Protection of the Environment Operations Act 1997*. Furthermore, the EPA understands that the proposal is not being undertaken by or on behalf of a NSW Public Authority nor are the proposed activities other activities for which the EPA is the appropriate regulatory authority.

In view of these factors, the EPA has no comments to provide on this project and no follow-up consultation is required, Randwick City Council should be consulted as the appropriate regulatory authority for the *Protection of the Environment Operations Act 1997* in relation to the proposal.

If you have any questions about this request, please contact Environment Line on 131 555 and quote the above reference number.

Yours sincerely
