Dear Mr Way

**SSD 10420 – Warakirri College - Request for advice on EIS**

I refer to your request to the Environment Protection Authority (EPA) dated 11 March 2020 seeking comment on the Environmental Impact Statement for the above project.

On the basis of the information provided, the proposal does not constitute a Scheduled Activity under Schedule 1 of the *Protection of the Environment Operations Act 1997* (the POEO Act) or require regulation under the *Contaminated Land Management Act 1997*.

The EPA understands that the proposal is not being undertaken by or on behalf of an NSW public authority. Given that, the appropriate regulatory authority for the proposed development under the POEO Act will be Campbelltown City Council. Council can issue notices or other legal directions if activities are carried out in an environmentally unacceptable manner.

If you have questions regarding the above, please phone Mr James Crawford on (02) 4224 4123.

Yours sincerely
