Kamay Ferry Wharf Project

The Department of Planning, Industry and Environment – Crown Lands have reviewed the proposal.

No Crown land is contained within the project footprint, however two Crown land lots adjoin the project footprint, to the East. Lot 5113 DP 752015 and Lot 7045 DP 1026891 are both Crown Reserves. If the proposal requires the use of these Crown land lots in order to implement the Kamay ferry wharf proposal, the land will need to be acquired under the *Land Acquisition (Just Terms Compensation) Act 1991* (LATJC Act).

Further information regarding Crown land and the LATJC Act is located at the following link:- <https://www.industry.nsw.gov.au/lands/access/compulsory-acquisition>.

If the proponent requires further information, or has any questions, please contact Kirstyn Goulding, Administration Customer Liaison Officer in Crown Lands, on 4920 5058 or at lands.ministerials@dpie.nsw.gov.au.
