No Comment to Planning Advice Request

Dear Mrs Hawkeswood

Thank you for the request for advice from Public Authority Consultation, requesting input from the NSW Environment Protection Authority (EPA) on the Environmental Impact Statement (EIS) for the proposed Moomba to Winton Gas Pipeline Compressor Stations (Application SSI-15548591-Mod-1) proposed to be located in the Condobolin and Wilcannia areas.

Based on the information provided, the proposal does not appear to require an environment protection licence under the *Protection of the Environment Operations Act 1997*. Furthermore, the EPA understands that the proposal is not being undertaken by or on behalf of a NSW Public Authority nor are the proposed activities other activities for which the EPA is the appropriate regulatory authority.

In view of these factors, the EPA has no comments to provide on this project and no follow-up consultation is required and Lachlan and Central Darling local Council should be consulted as the appropriate regulatory authority for the *Protection of the Environment Operations Act 1997* in relation to the proposal.

If you have any questions about this request, please contact Sheridan Ledger on (02) 6333 3803 or via email at Sheridan.ledger@epa.nsw.gov.au

Yours sincerely
