Dear Mr Groundwater,

**Doran Drive Plaza Precinct State Significant Development proposal (SSD-15882721)**

I refer to the email of 29 July 2021 seeking comments from Environment, Energy and Science Group (EES) in the Department of Planning, Industry and Environment on the Environmental Impact Statement (EIS) for the above.

EES has reviewed the July 2021 EIS prepared by City Plan Strategy and Development and the Flood Impact Assessment prepared by ACE Civil Stormwater Services. EES has no comments on these documents.

Should you have any queries regarding this advice, please contact Richard Bonner, Senior Conservation Planning Officer on 9995 6917 or at [richard.bonner@environment.nsw.gov.au](mailto:richard.bonner@environment.nsw.gov.au)

Yours sincerely
