Dear Ms Barnet

Re: Comment on Response to Submissions (RTS) – Kings Park Metal Recovery and Recycling Facility Expansion

Fire & Rescue NSW (FRNSW) acknowledge correspondence received on 5 August 2021, requesting input for the RTS for Kings Park Metal Recovery and Recycling Facility Expansion (SSD-10396).

Due to fact that legal proceedings are currently underway between NSW Department of Planning, Industry and Environment and Sell and Parker, FRNSW will not be providing comment upon the RTS at this time.

For further information please contact the Fire Safety Infrastructure Liaison Unit, referencing FRNSW file number BFS21/2804. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely
