Dear William,

Re: Bayside Council Submission – Orica Southlands Warehouse Estate (SSD-9691)

Thank you for the opportunity to make a submission on the above State Significant Development (SSD) proposal. Council staff have reviewed the submitted application and supporting documents and presented a report and draft submission on the matter to Council on Wednesday 13 May 2020. Council resolved as follows:

'Council endorses the attached submission to the Department of Planning, Industry and Environment subject to any changes or additional comments that may be required.'

We trust that the Department of Planning, Industry and Environment will take the comments and advice in the attached submission into account when considering the SSD proposal.

Yours sincerely,
