*Advice uploaded to the Major Projects Portal*

Dear Shaun

**Advice regarding Environmental Impact Statement – State Significant Development –  
Snack Brands Manufacturing Facility (SSD – 18204994)**

Thank you for your referral dated 13 September 2021, inviting comment from Heritage NSW (HNSW) in relation to the proposed Snack Brands Manufacturing Facility (SSD - 18204994), located at 2 and 14 Distribution Drive (Lot 10 and 11 DP 271141), Orchard Hills NSW.

HNSW has reviewed the available supporting documentation prepared for the proposal including the *Environmental Impact Statement (EIS) – Proposed Industrial Food Manufacturing Facility*, dated 24 August 2021 and prepared by Willowtree Planning Pty Ltd. This report recommends that a stop work procedure be developed in the event that unexpected finds including Aboriginal objects and/or human remains are encountered during development works.

HNSW supports the preparation and implementation of an unexpected finds protocol for managing and mitigating any such newly identified Aboriginal objects and/or human remains in the proposal area, as recommended in the EIS.

It is recommended that a Condition of Consent be created to ensure an unexpected finds protocol is developed for the SSD proposal.

Please contact Rebecca Yit, Archaeologist at Heritage NSW, on 4927 3244 or [rebecca.yit@environment.nsw.gov.au](mailto:rebecca.yit@environment.nsw.gov.au) if you have any questions regarding this advice.

Yours sincerely

**Dr Samantha Higgs**  
**Senior Team Leader**  
**Aboriginal Cultural Heritage Regulation - North**  
**Heritage NSW**
