Dear Ms. Thornton,

Environmental Impact Statement (EIS) - Heritage NSW - Aboriginal cultural heritage (ACH) Major Projects - Yiribana Logistics Estate (SSD-10272349) (Penrith)

Thank you for your referral on 23 September 2021, inviting comments from the Heritage NSW on the above SSD proposal with respect to Aboriginal cultural heritage.

Heritage NSW has reviewed Appendix U of the EIS - the Aboriginal Cultural Heritage Assessment Report (ACHAR), dated 3 September 2021. Urbis Pty Ltd (Urbis) was engaged by The GPT Group (the proponent), to undertake the ACHAR for the proposed development of the Yiribana Logistics Estate, 754-770 & 784-786 Mamre Road, Kemps Creek NSW. Heritage NSW has also reviewed the Archaeological Technical Report (ATR) that has been prepared to accompany the ACHAR and details the methodology and results of archaeological test excavation program.

Heritage NSW concurs with all seven (7) recommendations provided within the ACHAR. Heritage NSW further notes that should approval of approval of the Yiribana Logistics Estate be granted, Heritage NSW requires that all seven recommendations respect to Aboriginal cultural heritage be implemented, as per the ACHAR and listed below:

- Recommendation 1 - Archaeological salvage excavation at Open Area B, Open Area E and Test Unit E66 post-SSDA approval and prior to construction.
- Recommendation 2 - Surface Collection post-SSDA approval and prior to construction.
- Recommendation 3 - Repatriation or Deposition in Keeping Place.
- Recommendation 4 - Aboriginal Cultural Heritage Induction.
- Recommendation 5 - Archaeological Chance Find Procedure.
- Recommendation 6 - Human Remains Procedure.
- Recommendation 7 - RAP consultation.
