EPA advice on Modification Amendment and Response to Submissions**

I am writing to you in reply to the invitation to the Environment Protection Authority (EPA) to provide advice on the Response to Submission (RtS) and Design Amendment Report for the above modification request.

The EPA has reviewed the *Response to Submissions Report*, prepared by AECOM (dated April 2020) and the *Design Amendment Report*, prepared AECOM (dated April 2020) and does not have any further comment to make in addition to the advice previously provided in the EPA's submission letter dated 18 September 2019.

Should you require clarification of any of the issues please contact Anna Timbrell on 9274 6345 or email anna.timbrell@epa.nsw.gov.au.

Yours sincerely
