Dear Ms Evans

**Glendell Continued Operations Project (SSD 9349)  
Advice on RTS**

I refer to your email of 26 May 2020 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

The following recommendations are provided by DPIE Water and NRAR. Please note Crown Lands, the Department of Primary Industries (DPI) – Fisheries and DPI - Agriculture all now provide a separate response directly to you.

Post Approval

- The proponent should consult with DPIE Water at post approval stage for the detailed design and realignment of Yorks Creek.
- Works on waterfront land (including realignment of Yorks Creek) should be designed in accordance with the 'Guidelines for Controlled Activities' available from <https://www.industry.nsw.gov.au/water/licensing-trade/approvals/controlled-activities/guide>

Any further referrals to DPIE – NRAR & Water can be sent by email to:  
[landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

Any further referrals to (a) Crown Lands; (b) DPI – Fisheries; and (c) DPI – Agriculture can be sent by email to: (a) [lands.ministerials@industry.nsw.gov.au](mailto:lands.ministerials@industry.nsw.gov.au);  
(b) [ahp.central@dpi.nsw.gov.au](mailto:ahp.central@dpi.nsw.gov.au); and (c) [landuse.ag@dpi.nsw.gov.au](mailto:landuse.ag@dpi.nsw.gov.au) respectively.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Francis'.
