Dear Brendon

Response to Modification request for Australian Technology Park (ATP) Eveleigh, Design Modifications to Building 2 (SSD 7317 MOD 17)

I refer to your email of 16 September 2019 inviting the Heritage Council to provide comment on the Modification Requests for the above development consent.

Modifications to the approval include:

- Revision of the Building 2 retail zone fronting Locomotive Street;
- Signage zones along the northern elevation of Building 2; and,
- Provision of a feature awning.

Following a review of the documentation provided, the proposed modifications are considered relatively minor and will not alter the approved works. Therefore, it is unlikely that there will be any further heritage impacts on the Eveleigh Railway Workshops site (SHR 01140). Based upon this, there are no objections to the proposed modifications.

If you have any further enquiries regarding this matter, please contact David Nix, Senior Heritage Officer, Major Projects at the Heritage NSW, Department Premier and Cabinet, on (02) 9895 6523 or at david.nix@environment.nsw.gov.au.

Yours sincerely

Tim Smith OAM
