Dear Mr Young

Re: Notice of Exhibition of application for Coffs Harbour Bypass (SS1 7666)

Thank you for your referral dated 6 September 2019 inviting comments from the Heritage Council of NSW on the above State Significant Infrastructure (SSI) proposal.

The subject site is not listed on the State Heritage Register (SHR), and although it is noted that the High Conservation Value Old Growth Forest (SHR 01487), is in the vicinity of the project area, there will be no physical impacts to this SHR item. There are no known historical archaeological sites requiring management. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

If you have any questions regarding the above advice, please contact Anna London, Senior Customer Strategies Officer at Heritage NSW, on 9873 8608 or anna.london@environment.nsw.gov.au.

Yours sincerely
